ประโยชน์ของการลงทะเบียน Clinical Trial Registration • วารสารที่อยู่ในกลุ่มของ International Committee of Medical Journal Editors (ICMJE) จะยอมรับเฉพาะงานวิจัยที่ผ่านการลงทะเบียนในระบบนี้ โดยเริ่มบังคับตั้งแต่ พ. ศ. 2548 • วารสารอื่นๆ ที่ไม่ได้อยู่ในกลุ่มของ ICMJE มีการ ใช้ระเบียบนี้มา บังคับใช้มากขึ้นเรื่อยๆ หากไม่ได้ลงทะเบียน งานนั้นอาจะไม่ได้รับการขอมรับ ให้ดีพิมพ์ในวารสารที่มีชื่อได้

นางสาววริศรา ตุวยานนท์: สรุปจากการลงทะเบียน วิจัยใน website ของ Thai Clinical Trials Registry วันที่ 8 ธันวาคม 2557
